YOUR FAMILY INFORMATION

The year is coming to an end and we need to have your families information in our computers so that we can get your contribution information sent to the correct address. We would like for **everyone** to fill out the Directory Information card that is in this weeks bulletin and place it in the offering plate or give it to one of the secretaries. It is very important for us to have your correct information. We don't want you to miss out on any of the fun stuff that we send through the mail. Thanks for you help!
